++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry, bright and cold today.

This Evening and Tonight:
It will be dry with clear skies overnight, which will allow a fairly widespread frost to develop for many. Slightly milder and a reduced chance of frost along east coastal areas. Minimum temperature -1 deg C (30 deg F).

Monday:
Another cold and frosty start for many. A dry and fine day otherwise, with light winds and plenty of sunshine. Less cold compared to previous days. Maximum temperature 5 deg C (41 deg F).

Outlook for Tuesday to Thursday:
A wet and windy start on Tuesday, with heavy rain preceded by a brief period of snow locally. Drier, brighter and milder on Wednesday. Rain perhaps returning on Thursday.
